

Appln No. 10/728,783
Amdt. Dated January 13, 2006
Response to Office Action of October 14, 2005

7

REMARKS/ARGUMENTS

The Applicant thanks the Examiner for the Official Action dated October 14, 2005

The Applicant has updated Page 1 of the specification with an amended paragraph pertaining to cross references to related applications. The Applicant submits that these amendments introduce no new matter.

Election/Restriction

The Applicant elects to restrict to Group I claims 1-16 and 25-32 without traverse.

The Applicant further notes that the Examiner has held claims 1-3, 9-11, 16-19, 24-27 to be generic. In the event that none of these generic claims are eventually held to be allowable, the Applicant elects species I claims - that is, claims 4, 12, 20 and 28 without traverse.

Very respectfully,
Applicant:
